

Glenbrae Primary School

New Enrolment Scheme

Overview – what is happening?

The Ministry of Education is developing an enrolment scheme for Glenbrae Primary School, which will be in effect for the beginning of term 1 in 2022. Having an enrolment scheme in place will ensure the Board of Trustees has a fair and transparent mechanism to manage the roll as it grows. Children that live within this area will have entitlement to enrol at Glenbrae Primary School. The home zone area is shown on the map on the next page and includes:

Starting at the intersection of Mt Taylor Drive and Crossfield Road, travel south down Crossfield Road (even addresses only). At West Tamaki Road (odd addresses 171-225 included, even addresses 244-250 included, remainder excluded), turn eastward and travel until the end of Tahaki Road (excluded). At the end of Tahaki Road, travel southwest down the coastline and continue down Omaru Creek until Concord Place (excluded), and travel north along Concord Place until Taniwha Street (122 and below included). Travel west along Taniwha Street and then turn north along Elstree Avenue (35-58 even addresses included, 55-79 odd addresses included. Chiltern Crescent even addresses also included) until turning northeast at Linthorpe Crescent (odd addresses only). Turn northwest at Leybourne Circle (excluding even addresses 140-154 and even addresses 4-18) and then travel along walkway to 171 West Tamaki Road. Travel east along West Tamaki Road and then return to origin.

What does this mean for my family?

If you live in enrolment scheme home area for Glenbrae Primary School you will be entitled to enrol your child at the school. This entitlement applies to new students starting school, as well as any primary school aged children currently attending another school in the area.

Families who live outside the enrolment scheme home zone of Glenbrae Primary School do not have entitlement to enrol and could only attend if the Board of Trustees planned to enrol any out of zone students. The enrolment scheme will establish the process for this, and places will only be available if the Board of Trustees considers it has the capacity to allow for this. Further information about whether any out of zone places will be made available will be made later in 2021.

Consultation process and timeline

The Ministry of Education is currently undertaking consultation about the proposed changes and new enrolment schemes. You can have your say by:

- Completing the survey at <https://consultation.education.govt.nz/education/tamaki-primaries-enrolment-schemes/consultation/intro/>
- Emailing auckland.enrolmentschemes@education.govt.nz if you have further questions or comments

The Ministry will consider all feedback and liaise with the Board before making a final decision. The new schemes and changes will come into effect for the beginning of 2022.
